Mr. Dud Devine
Radio Station WYBC
242-A Yale Station
New Haven, Conn.

Dear Dad:

Speaking for the group of us who spent Friday evening at WYBC, I want to thank you and your whole staff for both the invitation and the fine time we had at Yale. It was not only enjoyable but educational to do a show for WYBC, and we hope that you and those who tuned in liked our program. Thanks especially for a very friendly reception, and an extra bow to Tony Schulte for arranging such fine accommodations.

We're looking forward to many more Yale-Smith return engagements, and hope that the precedent set will become a tradition for both stations.

With best wishes for a wonderful vacation and coming year.

Very sincerely,
